

SN 09/298,297
Docket No. S-91,723
In Response to Office Action dated November 15, 2005

REMARKS

Applicant appreciates the courtesy shown by the Office, as evidenced by the Notice of Non-Compliant Amendment, mailed on April 14, 2006. The Notice is in response to the Amendment filed on January 31, 2006, in the case.

In that Notice, the Examiner states that Claims 25-29 are incorrectly listed as "Original" and should be listed as either "Previously presented" or "Previously amended." Accordingly, Applicant submits that Claims 25-29 have been provided with the proper identifier.

The Examiner also states that step (d) of Claim 1 contains a typographical error, as the word "superlattice" is missing after the phrase "into a." Applicant submits that Claim 1 has been amended to correct the typographical error.

A listing of claims that includes the changes described above is presented herewith.

Applicant submits that the January 31 Amendment is now compliant with 37 CFR §1.121, and respectfully requests reconsideration. If, however, any issues remain unresolved, the Examiner is invited to telephone the Applicant's counsel at the number provided below.

Respectfully submitted,

Date: May 30, 2006
